

## Who We Are

AFX Pro is a special effects company that operates within the New Orleans region and beyond. We pride ourselves on delivering exceptional customer service and creating unforgettable moments for our clients in the gulf south. Effects include lasers, lighting, cryogenics, streamer & confetti cannons, bubbles, snow, and MORE!

## Capabilities & Differentiators

- We provide *innovative* ways to enhance events with effects, creating a WOW factor.
- Our trained technicians work with clients to provide *top-notch* service.
- It is a top priority to use *high-quality* professional equipment.
- We are proud supporters of local non-profits, giving back to those in need on a regular basis, including *volunteering*, *in-kind donations*, and *financial support*.

## Past Performances

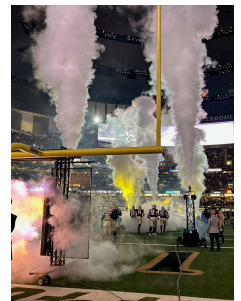

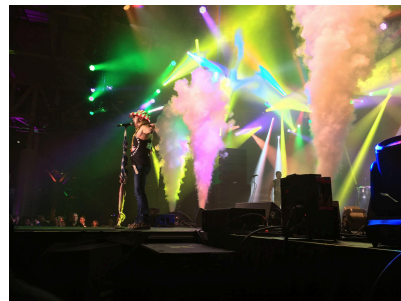

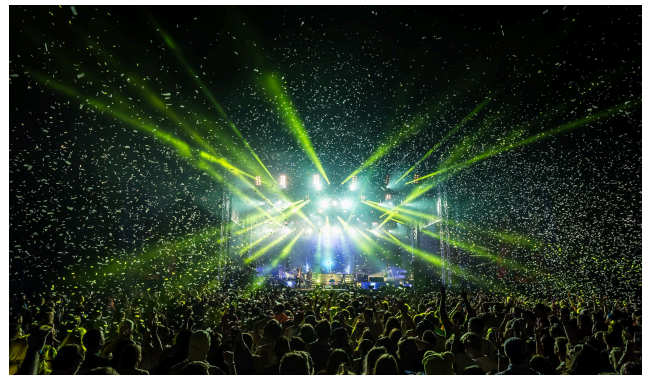

AFX Pro has worked with elite professional production companies, professional and collegiate sports teams, universities, high-end event planners, and corporations from around the country.
